

# BOOTH PARTITION

Define Spaces, Create Privacy, and Prevent the Spread of Germs

Reduce health risks for your staff and customers with our partitions and barriers, whether it's for a restaurant, office, table-top, lobby, or booth. These customizable dividers are built to fit your existing booths and to be gentle on your budget. Our high-quality products will easily match the ambiance and décor of your establishment, whether constructed from wood, glass, or polycarbonate. We don't compromise on quality.

Our booth dividers meet COVID-19 safety standards for spatial requirements, increase safety for your guests and employees without compromising how you do business.
